

# Interstate International Logistics Capabilities Statement

*Interstate International: Your Trusted Partner in Global Logistics*

## Overview

Moving internationally is stressful. But it doesn't have to be. Interstate International's customized relocation packages are suited for all your moving and storage needs. Let Interstate International's team of moving experts sweat the small stuff so you can focus on what matters most to you.

## Customized Logistics Solutions

Interstate offers tailored logistics solutions to diverse clientele and manages over \$1 billion worth of equipment and materials annually. As a certified FIDI-FAIM and ISO 9001-2015 international freight forwarder, we adhere to stringent quality standards. Our specialized capabilities include:

- PMP-certified field service teams
- Custom kitting, packing, crating, padded van, and point-of-use delivery services
- Over 6.5 million sq ft of global warehousing with temperature-controlled options
- ILIST warehouse management system for real-time cargo visibility
- Services and secure facilities tailored to government client needs
- Service Performance Guarantee

## Core Capabilities

- **International Forwarding & Logistics:** Household goods, personal effects, marine risk/cargo underwriting, general commodities, special project cargoes, export crating, and warehousing & distribution.
- **Destination Services:** Customs clearance, container drayage, unpacking, debris removal, set-up, placement reassembly, third-party services, and storage options.
- **Origin Services:** Pre-shipment preparation, export packing, specialized packing, consolidation, storage, order fulfillment, and export documentation.
- **Transportation & Freight Forwarding:** Local & long-distance transportation, multimodal freight forwarding, air/sea/rail/intra-regional truck services, worldwide logistics solutions, and export & import compliance management.
